

# Product Recall

**morphy richards®**

Double Over Electric Blanket. Model 75311.  
**Single control model only.**

This model of over blanket, sold between October 2008 and January 2010, can develop a fault that has the potential to cause the blanket to overheat and catch fire.

If you own this blanket (identifiable by the Model No. 75311 on the product's rating label) please take the following action:

Stop using this product immediately and contact Morphy Richards either by free-phone or by email.

No other Morphy Richards electric blankets are affected.

We wish to thank you for your co-operation and apologise for any inconvenience caused.
